

Appendix:

Messages from children all over the world are shown below country by country. As for many messages from Japanese children, we introduce a part of them.

Nationality	Answers	Age	Gender
Argentina	Sincere government and our voluntary spirits to make our world a better place.	15	Boy
	I want to have the governments and people more supportive to people and countries without resources, and the exploitation of non-renewable natural resources should no longer exist and we can discover what could be replaced. That is my wish for 100 years.	11	Boy
	I like to have the world where people trust the government. Hope we will have it in 100 years.	11	Boy
	We are getting more and more serious! The sense of humor, is the one I wish to be in 100 years!	13	Girl
	I want to change the climate change, there is no nuclear radiation and that we use alternative energy sources.	9	Girl
	I want that we will maintain proudly our local language, culture and cuisine.	10	Girl
	I like to have ourselves remain as we are in 100 years. I mean no diet, no strange habits, no frustration. I want us to feel the nature and we become the part of that nature.	14	Girl
Australia	sup!	11	Boy
	I love to play sports & I would leave sporting equipment and fruit behind so children can keep active and healthy.	12	Girl
	world without plastic bags, global warming, less landfill and a world with happy, contented people.	8	Girl
Brazil	A guitar, the music to the world	9	Boy
	The Street train in my neighborhood, which already has more than one hundred years old.	10	Boy
	Beatles songs.	9	Boy
	enjoyment of Samba dancing. Because happiness is good.	8	Boy
	Leave my chest with my treasures.	8	Boy
	I'll leave a map to children look for after 100 years.	9	Boy
	My house where I live.	9	Boy
	If we have something more than 100 years we need to keep more 100 years.	11	Boy
	the pirate ship of Lego	7	Boy
	peace, no fire.	8	Boy
	This planet needs to continue. I want to leave beautiful mature that we have now.	8	Boy
	My family, especially my mother and father, most important thing in my life.	9	Girl
	I wish a beach in my city continue to be beautiful.	11	Girl
	My story. The story of my family	9	Girl
	She wants to leave a picture of herself at a party, for people to remember what she looked like a happy person	6	Girl
	I'll leave trillions and trillions of footsteps. People will go on and on and will find a treasure that will not be gold or silver, but friendship which is invisible. You're going to yawn and it goes into you ..	6	Girl
	I'll leave a boy and a girl really cool. They are my children.	9	Girl
	I want to keep this peace in my neighborhood until one hundred years pass. If it's possible, I want peace in the neighborhood where my grandma lives.	9	Girl
	I hope to keep the beach that is in front of my grandpa's house. Grandpa lives in Bahia and the beach is very beautiful and has turtles, delicious food and I play.	9	Girl
	My mother and father together.	6	Girl
We have to leave the planet healthy for our children and our grandchildren. Because we also won.	12	Girl	
kindness. kindness call kindness.	8	Girl	
Burkina Faso	hi	11	Girl
Canada	A planet which is healthier than the one I was born into. One where we are more connected to each other & the earth.	15	Boy
Costa Rica	No, I do not want to leave behind 100 years from now.	12	Girl
France	To contribute to a safer world with more peace, less people suffering from hunger, terrible disease or polluted nature	13	Boy
Hungary	I would like to leave behind for the next 100 years all the forests and gifts in the mountains for example brooks.	15	Girl
	In jumper shoes, kids could jump up to 1 m every step. The cars would not have bad odor but have a cherry smell.	10	Girl
India	A history free from war and a land free from pollution. A healthy and peaceful world for all to enjoy and live.	10	Boy
Japan	A Green Planet, so many children around the world can hike and camp with lots of trees and animals- just like me!	10	Boy

Didn't we learn from the disasters? I want to leave friendly energy so our family will be able to live long with earth.	13	Girl
Mom and Dad	7	Boy
School yards under the blue sky where kids can play without worrying about radiation.	12	Girl
Clean seas and tasty sushi.	12	Girl
Endangered plants and animals.	14	Girl
Let's save Antarctic ice and underground resources!	13	Girl
The healthy earth is most important for people to keep good relationships with those on the other side of the planet. I want to have many flowers of friendship and kindness bloom there.	10	Girl
Four seasons in Japan. Japan may lose normal scenery of each season due to global warming, but I want to keep them.	12	Girl
A mind to think of others. I hope that virtue of the Japanese remains.	14	Girl
Nature. Especially nature where frogs, which I like, can live.	6	Girl
Schools. Students may be studying at home using personal computers after 100 years. But I don't want schools disappear because it is important for kids to enjoy sports days and open-air schools with friends.	10	Girl
Everybody's genuine smile. I love to see people smiling so much. A smile has a magic power to make people happy.	15	Girl
Forests all over the world.	12	Girl
I like reading books, comics and newspaper, so I want to leave necessary forests and woods for 100 years.	14	Girl
Yummy chocolate and vanilla ice creams!	9	Girl
I want to hand down Japanese paper fans. I don't like hot summer, but I don't think it's a good idea to rely on electric appliances all the time.	14	Girl
I want music to last because I love singing and dancing. I hope music still makes everybody smile 100 years later.	10	Girl
Nature, after all. It is difficult to recover nature once it's lost, while assets can become useless afterwards, and lost assets can be reclaimed. So I hope current greenery and water remain as they are.	12	Girl
I hope my bones are left behind as proof of my life.	13	Girl
I can't think about the world 100 years from now, because it is too far away. I would like to find out what my grandchildren want by the time I become an adult.	11	Girl
I want the statue of Saigo Takamori to stand there for 100 years, who contributed to the modernization of Japan.	13	Girl
Books made of paper.	11	Girl
Nature full of greenery. Life without air conditioners, or even electricity.	9	Girl
The language of flowers. I want to leave behind the Japanese spirit of finding a feeling in every plant and flower.	15	Girl
Bicycles, which is very useful for kids to go nearby.	13	Boy
Memory of the accident of the Fukushima Nuclear Power Plant.	12	Boy
Yummy rice and dishes!	11	Boy
I love fishing. I want to leave behind clean rivers and oceans all around the world, so children 100 years from now can fish too.	13	Boy
Me of 108 years old.	8	Boy
I want to leave behind newspaper, the media of communication which continues from long time ago, although I heard newspaper might be totally replaced by more and more prevailing personal computers. I hope people 100 years later can enjoy the sense of anticipation in flipping newspaper pages.	11	Boy
Peace.	12	Boy
A mind to consider others' feelings, which I think can make the world peaceful without wars.	11	Boy
I want children after 100 years practice martial arts and develop mental strength not to give up. I practice the Japanese art of fencing, and I know such martial arts make people strong physically and mentally.	13	Boy
I want "tatami," a Japanese mat made of straws, to remain. On tatami I feel cozy and homey.	13	Boy
I live in a town with a castle. Japan has lots of castles. I hope my castle will still be there in a hundred years.	12	Boy
I want clean parks forever, where kids can play with their friends.	8	Boy
I'm worried we will not be able to eat beef because of the nuclear power plant accident. Stopping nuclear plants makes us feel safer, but in turn it might cause electricity shortage, I heard. I want the world where we don't have to worry about beef nor electricity.	8	Boy
I like going clamming. I'll be glad if clean seas will be always here, so we can gather Japanese littleneck.	6	Boy

	I hope a cartoon "Ultimate Muscle" will appear on the ethics textbooks after 100 years. I love the cartoon because I'm always surprised at the wrestlers for their pure hearts and power of friendship.	13	Boy
	I hope people can eat fresh vegetables 100 years later as I do now. Now cucumbers are in season, and a cucumber just picked from the fields around my house is unbelievably juicy, which I enjoy with no dressings.	14	Boy
	I want a regional festival to remain for 100 years, which I love so much. I, as a second grader, am looking forward to playing a drum this year.	8	Boy
	I want people to play dodge ball after 100 years. Dodge ball is fun and can make everyone friends with each other. Through dodge ball we can become friends with kids from other countries even if they speak different languages.	6	Boy
	Ties of friendship through soccer, baseball and other sports. Family ties. Global ties.	10	Boy
	Beautiful Mount Fuji.	8	Boy
	I want the local culture of <i>Shishimai</i> , a lion dance, to carry on.	11	Boy
	I hope human beings are still alive after 100 years.	11	Boy
	My life, lives of my favorite friends, and lives of my family. I want to keep living in peace with them.	11	Boy
	Atomic Bomb Dome in Hiroshima, because we should pass down the memory of how fearful wars and nuclear weapons are. I was so shocked to visit there.	13	Boy
	The earth. I want it alive not only for 100 years but forever.	8	Boy
	Compact discs. Now we can buy music by clicking on our computers, but I feel somehow sad not to actually pick up discs. I want to penetrate the thoughts embraced in CD jackets and booklets.	14	Boy
	I want nature to be left where stag beetles can live. I like stag beetles and often go out to catch them in summer.	9	Boy
Mauritius	I want my country with green trees and gardens with flowers. I want my people to have a good life and no poverty.	7	Girl
Mexico	I love it when my granny grabs my hands and they gives me warm feelings. I love my granny to be with me in 100 years too.	8	Girl
Nepal	I want many forest ,many different types of birds, there is many people, there is good environment.	12	Boy
	Forests and jungle.	10	Boy
	Our environment and natural things	11	Boy
	Make our environment clean and nice pace that robbers coill never seel thing room our sides. Thank you.	12	Boy
	National beauty	13	Boy
	Household shift to Improved Cooking Stoves resulting healthy lives, less firewood consumption & low carbon emissions.	15	Boy
	Nepal has very beautiful environment and natural things.	11	Boy
	I want there is many forest , there is good environment.	14	Boy
	It's my pleasure to say these talking about the things which I want to leave behing 100 years from now is the family environment which are given to all the children due to which children who come in the library enjoy very much. the activities done in the library.	14	Boy
	I want that after 100Years like this facilities, nationality, custom, culture, etc. will be lrave behind and natural resource too.	12	Boy
	I want our language, nationality, our natural resources, our motherland Nepal and my parents.	12	Boy
	I want to tell that after 100 years our Nepal should to be a new Nepal and beautiful.	13	Boy
	Books	10	Boy
	I want to preserve and expand the world's forests.	10	Boy
	House	11	Boy
	Never polluted our environment and developed our Nepal.	12	Boy
	Good manners in Nepal.	12	Boy
	I want to leave behind 100 years from now because one day is different and when I will be 100 years will difficult and I can pidinstar also.	10	Boy
	Natural resources, peaceful, help each other ,every countries will be friends and never fight	13	Girl
	Trees, water in village	11	Girl
	My Nepali is very beautiful	11	Girl
	I want to leave behind beautiful waterfalls, rivers and clean environment on the earth.	13	Girl
	House	11	Girl
	I want to leave behind aminated and plants.	9	Boy
Netherlands	I want each of us to respect the difference and that concept should be stronger in 100 years. For example mummy talks to me in dutch and I lean English at school. I think it is important to appreciate the origen of each of us by leaning the language and understand and respect the difference among the people.	14	Boy
New Zealand	I will take seeds from the tree I love climbing. Then my great grand children can climb it.	8	Girl

Philippines	I wish to leave behind my kindness, so that my descendants will never feel alone, because they know I am with them.	11	Boy
Romania	I wish we all protect the animals & flowers so they don't disappear and over 100 years the children can still enjoy them	7	Boy
	I want to keep the friendship, love and trust to others, to be a part of a team. And together we'll create the future.	14	Girl
	I wish the kids can enjoy the flowers, butterflies, the birds' freedom, green forests, blue waters, the colors of nature	12	Girl
Sierra Leone	I want to leave behind a world where every living thing sees one another as important element on earth.	15	Boy
	A world where children are no more crying for food, shelter and health issues.	11	Boy
	I want the world to help children educate.	7	Boy
	I want to see peace in the world.	7	Boy
	I want to see the world progress 100 years from now	10	Boy
	I want to see the world with love and care for one another	9	Boy
	I want to see a world with good climate condition.	7	Boy
	I will like to see the world full of development and love.	10	Boy
	I want to see people living without famines	6	Boy
	I would like to leave the world with oneness, care and love for one another.	14	Boy
	I want to see people living without killing one another.	9	Girl
	I do not want to see people killing, stealing and corrupt	6	Girl
	I want to see the world care for poor children and their families at all levels.	12	Girl
	A world without poverty and destruction.	10	Girl
I want to see parents with their children without homes have homes to sleep.	12	Girl	
Taiwan	I love basketball. I want to leave behind clean land. Then kids can play basketball in Taiwan.	15	Boy
	I want to told them...Your body is always the most precious treasures. Take good care of it!	15	Girl
Thailand	I want to leave the environment around the world clean and green so that we are sustainable in the future.	14	Girl
	I want to leave some plant seeds so they can grow and help support all lives in the future.	10	Girl
Tuvalu	Land. Nowadays, the amount of the sand in the beach is getting less because of the wave. I want to plant some trees to protect our land.	17	Boy
	Plants. We can breathe because they make oxygen. We have a shelter thanks to them. The bird can make their house on the tree. Especially, the plants protect our land from the erosion. If we don't have plants, we can't live here.	17	Boy
	Tuvalu. People said Tuvalu may sink in the future. But I really love my country Tuvalu. I think we have to reduce the amount of motorbike and cars to reduce CO2 emission.	15	Boy
	Tuvaluan culture. I want to preserve Tuvaluan culture such as local dance and the way to eat because that is the identity of Tuvalu. I am really proud of it as Tuvaluan.	15	Boy
	Fishing. method. I believe that Tuvaluan is the best fishermen in this world, and I really proud of it. I want to succeed the way of Tuvaluan fishing until 100 years after.	16	Boy
	Tuvaluan language. I can speak Tuvaluan language because I am a Tuvaluan. Language is one of the identity of the country. I am proud that I am Tuvaluan and I can speak Tuvaluan language.	14	Boy
	Sea. I want to preserve our sea because I feel sorry for the fishermen here if the sea will be gone.	9	Boy
	Culture. I want to preserve all the Tuvaluan culture because that is our life.	9	Boy
	My house. I want to preserve my house because I love to sleep and watch TV in my house. If I don't have my house, I have to sleep outside.	7	Boy
	Game. I have played games from when I was young. I want to keep to play the game forever.	11	Boy
	Tuvaluan society. Without any conflicts with other countries, I want to preserve Tuvaluan society that has respect for the family ties.	12	Boy
	The garden in front of my house. I don't want to cut the trees there because they are so beautiful and they make my family and visitors to my house feel happy.	13	Boy
	Sea. Because there are plenty fish in our sea. And I love to eat raw fish. And also we can swim there for fun. I want to preserve this beautiful sea until 100 years after.	14	Boy
	My house. My house is so small that it is very easy to clean up. We also have beautiful garden. I feel happy when I have meal with my family together in my small beautiful house.	13	Boy
Environment of the sea. I love fishing. I want to go fishing and get plenty fish same like now in 100 years.	13	Boy	
School. I want to preserve my school until 100 years after because we can study many things in school and really like that.	11	Boy	

	Traditional clothing. I'd love to show my dance in front of the people with wearing traditional clothing. I really want to protect this culture until 100 years after.	17	Girl
	Sea. Thanks to the sea, we can eat fish and live here in Tuvalu. I want to live like this until 100 years after.	14	Girl
	Island. I want to preserve our beautiful island forever.	14	Girl
	Tuvaluan culture. I am really proud of Tuvaluan traditional culture. I want to succeed this until 100 years after.	14	Girl
	Local dance. My mother always teaches me how to dance Tuvaluan local dance. I feel happy when I could dance well and I want to teach that for the next generation when I become a mother.	15	Girl
	Plants. I want to preserve all the plants in my garden, because they are good to look and make my house looks nice.	14	Girl
	Tuvaluan identity. People said that Tuvalu will sink in the future, but I don't want to lose our identity such as culture, tradition, and so on. I am a Tuvaluan now and in 100 years also.	15	Girl
	Tuvalu songs. I want to preserve Tuvaluan songs because that means to preserve our language.	16	Girl
	Tuvaluan culture. I want to preserve Tuvaluan culture because I am proud that I am a Tuvaluan.	17	Girl
	Marine resources. Our people get a lot of benefit from the sea. Thanks to them, we can get food and go to other island by the boat.	13	Girl
	Local language. I love my language. I can speak English, but I feel happy when I speak my language with people here. I want people from overseas to learn our language and join our chatting.	13	Girl
	TAA TILI (Local way of fishing). I want to preserve the local way of fishing because I want to eat plenty fish in 100 years also.	8	Girl
	Sea. In our sea, there are plenty fish. I love to eat. I enjoy fishing. I want to live with this sea.	7	Girl
	Local dress. Our local dress is very cute especially when we put some flowers on our dress. I love to dance with wearing local dress.	8	Girl
	Sea. I go to fishing with my father in every evening. I want to preserve our sea because I want to go fishing with my father in 100 years also.	7	Girl
	Shoes. I want to wear the shoes in 100 years after because if I wear the shoes I don't get injured.	9	Girl
	Local dress. Tuvaluan local dress make me very beautiful girl. I love to dance with it.	11	Girl
	Local dress. I feel very happy when I wear the local dress. They also make me looks nice.	12	Girl
	Local dress. I want to preserve this culture because I love to dance with wearing local dress.	10	Girl
	Sea. I don't want anyone to put any artificial things, such as wharf in the sea in front of my country. I love this sea with plenty fish and also I want people from overseas to see my country's beautiful sea.	11	Girl
	Playground in front of my house. I don't want anyone to construct anything in my playground to play there with my friends forever. Nowadays, our playground is getting small because of the new houses and other buildings. I want to preserve this space.	9	Girl
	Sand. Nowadays, people dig and take the sand of my island for earning the money to build houses. I am worried about that sand will gone in the future.	8	Girl
	Playground. I always play there with my friends. I want to play there forever.	6	Girl
	Island. Because our island is so beautiful and plenty fish, bird and so on.	11	Girl
	Sea. I don't want anyone to disturb my beautiful sea. Nowadays, I can find many rubbish in the sea and I feel sad. I want to preserve my beautiful sea.	11	Girl
	Sea. In our sea, there are many fish and they are so tasty. And also thanks to the fish, our family can get money and help my family to live.	10	Girl
	Local dancing. I love my country's local dancing. When I hear the beat of that, I feel happy very much.	12	Girl
	Tuvaluan songs. I love to listen Tuvaluan songs because they are very nice. They are also our culture.	9	Girl
	My house. I feel that I am protected when I stay home because my lovely family members are there.	9	Girl
UK	Pla-rail and Shimajiro.	6	Boy
	I want the same kinds of birds and flowers as I see now to keep living.	9	Boy
	The home made food! The home food represents the family-bond in my opinion!	10	Boy
	I am looking after some quail and am very keen to sell my eggs to our local farm shop. I want people to know the pleasure to cultivate what we eat in 50 years and 100 years too.	8	Boy
	I want the clean tap water. We drink the water from the tap in England and I want that situation continued in the future without any polutions.	10	Boy
	The normal climate. We have the hot spring this year and the cold summer in UK. Last November it snowed. I hope the climate gets back to the normal and we go with nature.	10	Boy
	Mummy!	8	Boy
	I want to have more place to play cricket. Some parks are prohibited to use the ball and sometimes there is no place to play the sports.	7	Boy
	The local farmers made Kent Crisps using the local potatos and I find it very nice. We should make more products using the local things. I am excited to imagine the children in 100 years too will eat our crisps!	8	Boy

	I climbed up the hill this summer with my father and I loved drinking pure water and feeling the fresh air. I want them to exist in 100 years.	10	Boy
	I love videogames but I enjoy doing the outside play, too. I want to leave behind such outside playgrounds more and more in the future!	9	Boy
	Love and care among the family. Family that has nice daddy and mummy.	11	Girl
	I saw the lady riding the horse in the street and I like the idea of using the horses as a transportation more and more.	8	Girl
	Peace. After seeing the riot in London, what I ask for in 100 years is the Peace.	10	Girl
	Mummy's pancake!	6	Girl
	I want to leave behind the humanity. It might sound strange but I feel that is getting lost these days.	12	Girl
	I grow the carrots and beans in my garden. I hope we will keep respecting the nature land that provides us with our food in 100 years too.	10	Girl
	I live in Canterbury and the landscape is beautiful. I want to protect that scenery in the future too.	8	Girl
	My favorite dolls and my sisters.	6	Girl
	I like to keep our bay clean as it used to be. Nowadays I see lots of garbages on our bay (Herne bay in Kent). It is important each of us do what we can do to maintain our place clean.	10	Girl
	The close relationship of the family. I know some cases kids don't talk to their parents but family is very important and I want the family remains as the most important unit in the society.	12	Girl
	Our culture. Some traditional events get touristic in our city and that is fine. But I want to transmit the history and meaning of our local events to the next generations.	10	Girl
	Health and joyful feelings even when we get older. There are many elderly care centers in UK but not everybody there is happy. I want the earth to be the happy place with healthy people.	15	Girl
	My mother makes the homemade jam of plum, apple and blackberry which we pick up in our garden and I think such things have to be maintained in the future too. The nature, garden, homemade things, and family gathering.	10	Girl
	I enjoyed the story-time and rhythmic-time at nursery. I want to leave such traditional songs and stories behind in 100 years too.	8	Girl
	Green space!	6	Girl
	Two-parents in the family. Single parent is a big issue in England and I simply hope we leave what is normal as normal in 100 years too.	15	Girl
	I don't know about 100 years. But in 20 years when I am an adult, I still want to continue the afternoon tea time with my grandny, with her homemade crumble! That family gathering is the one I want to leave behind.	14	Girl
	Open space to play. Near my house the building is under construction and I do not want that. It is pity people just build things which sometimes are not necessary. I want our space to leave behind in 100 years.	9	Girl
	I want to leave behind the humanity. It might sound strange but I feel that is getting lost these days.	12	Girl
	I love to leave behind the closer relationship and respect towards the nature. I do not want us in 100 years to forget we are part of them.	10	Girl
	The nature and the tradition.	8	Girl
	I want to leave behind what we call it "HOME".	9	Girl
	Love and the sense of humor are those I love keep having with us whatever happens and whenever we are in. So my answer to this question is the loving feelings and laughter.	13	Girl
US	Great mountain biking trails for all of the next generation of kids to enjoy.	11	Boy
	Monopoly game because in the future, there will be lots of technology. They can play together in a real way.	10	Boy
	I would like to leave my Tv.	8	Girl
	Panthers. Because they are in danger of extinction. Due to global warming, birds and small animals they feed on are decreasing. We've got to save on electricity as much as possible.	10	Boy
